
AACT Names 2016-2017 John Kitt Memorial Scholarship Winner

Congratulations to Hannah Vezzetti, recipient of the American Association of Candy Technologists (AACT) 2016-2017 John Kitt Memorial Scholarship.

Hannah is a senior and Dean's list student at Delaware Valley University. In addition to maintaining academic excellence in her Food Science major studies, Hannah interned last summer with The Hershey Company and this past summer with PepsiCo. Hannah has demonstrated interest in working in the confectionery industry; by her contributions as secretary and executive board member of the Food Industry Club at Delaware Valley and the creation of confectionery products to be sold at her family's farm. All of these achievements solidify her qualifications for this annual scholarship.

AACT has awarded a scholarship for the past 16 years. In 2010, it was named in honor of John Kitt, who during his 46-year career in the confectionery and snack industry was a frequent instructor at confectionery training courses, 1998 recipient of the AACT Stroud Jordan Award, and inductee into the Candy Hall of Fame in 2008. He passed away in 2009.
